The Role of the Prayer Partner

**PRAYER PARTNER: A CRITICAL REQUIREMENT**
The prayer partner fills a vital role in the Church Ministry Program. Prayer is the foundation to a successful presentation. His job is to accompany the church presenter to each church presentation, in accordance with Mark 6:7 (ESV), “... and began to send them out two by two...”

The prayer partner role is ideal for:

- New members who need more exposure to church presentations
- Men who are thinking about becoming church speakers
- Any Gideon who may be less active and would like to do more without the responsibility of public speaking

**THE PRAYER PARTNER’S RESPONSIBILITIES**
He should support the church speaker and provide general assistance. Specifically, the prayer partner has five duties:

- Pray for the church presenter—before and during the service.
- Meet and greet the church congregation as appropriate.
- Assist as appropriate with receiving and counting the offering.
- Secure names of prospective members as appropriate.
- Complete a confidential written evaluation of the presentation (Item 215) and submit it to the church ministry chairman.
